Public Notice

The public is hereby noticed that items on this agenda are stacked. Items may be taken out of order, two or more agenda items may be combined for consideration, and/or at any time an agenda item may be removed from the agenda or discussion delayed. In accordance with NRS 241.030, one or more agenda items, or portions thereof, may be conducted in closed session.

The Regional Transmission Coordination Task Force (RTCTF) will take public comment on any matters within its jurisdiction, control, or advisory power. The Commission is not permitted to deliberate or take action on any items raised during the public comment period until the matter itself has been specifically included on an agenda as an item upon which action may be taken by the Commission. Comments by the public may be limited to three minutes as a reasonable time, place, and manner restriction, but may not be limited upon viewpoint. This meeting will be conducted via remote technology, so public comment may be accepted via remote technology using the access information provided in this agenda. Content may be redacted due to inappropriate language. All written public comments shall, in their entirety, be included as part of the public record. In the event technical difficulties prevent these proceedings from being broadcast, the Commission, at its discretion, may conduct the meeting without the proceedings being broadcast.

Members of the public who are disabled and require accommodations or assistance at the meeting are requested to notify the Governor's Office of Energy in writing or by calling 775-687-7189.

Please notify Amber Gale and Karen Garcia at the Governor's Office of Energy at A.Gale@Energy.NV.GOV and KGarcia1@energy.nv.gov if you would like to request a written copy of the notice sent to you or to request supporting material at no charge. All supporting materials are available to the public at 600 E. William St., Ste. 200, Carson City, NV 89701 or at: https://energy.nv.gov/rtctf/
